About

Thejendra is a technical manager from Bangalore and has more than 25 years' experience in the IT industry. He is also an author and coach, and has published more than 20 books on a wide range of subjects. His inspiration for writing books comes from Toni Morrison, who said, *'If there is a book that you want to read, but it hasn't been written yet, then you must write it.'*

Other Coaching

Financial Literacy – Frugality for Modern Executives - This is a financial stability workshop for executives who work in unstable industries with frequent downsizing and reorganizations. This will train you to think long term and handle long periods of recession, unemployment and eventual retirement. You will also learn to control expenses, handle sudden down-slides in your lifestyle and material comforts, and bring some sanity into your life.

Self-Improvement - General tips and methods for Stress Management, Office Politics, Written Communications, High Pressure Workplaces, Resiliency, Leading other Leaders, etc. Make yourself psychologically superior than the rest of the crowd.

When you speak, your words will echo only across the room or down the hall.
But when you write, your words will echo down the ages – Bud Gardner
